

The image displays three views of the H4 LED headlight. The top view shows the front of the headlight, featuring a clear lens with a black, grid-like protective cage. The middle view shows the side profile of the headlight, highlighting its compact, rounded design. The bottom view shows the rear of the headlight, revealing the mounting bracket and the electrical connector. The main image on the right shows the front view of the headlight with the lens removed, revealing the internal LED components and the H4 label.

griglia protettiva per il vetro - cat. No. A.37700
